

## SENIOR PRIVILEGE 2016-17

As a senior who wishes to arrive at school prior to the start of my scheduled class, I agree to the following rules. I am aware that failure on my part to comply will result in being denied this privilege.

### Rules:

- Parent and student must sign this agreement.
- Attendance to Advisory is mandatory if the student is in the building or has class first period of the day.
- Seniors are allowed to leave school after their last scheduled class but may not leave and return during the school day. Without senior privilege seniors must stay on campus until the end of the school day unless dismissed through the Attendance Office.
- Student agrees not to linger in the hallways during approved release time. Being in a study hall, in the library, making up work with a teacher, or in a supervised location is acceptable.
- Student will leave the building by the main entrance door.
- Student waiting for transportation must do so at the main entrance.
- Student will not transport any other students after school begins at 7:20 AM or before school dismissal at 2:02 PM unless that student is authorized to come in late or leave early.
- Student behavioral issue or discipline action can cause the Administration to revoke the privilege.
- If you exercise your senior privilege and leave during the school day, you should not return until 2:02 PM.

I understand and agree to follow the above rules.
